| Artikelname              | IDH2 Polyclonal Antibody, PerCP Conjugated, Rabbit                                                                                              |
| Artikelnummer            | BSS-BS-3947R-PERCP                                                                                                                              |
| Hersteller Artikelnummer | bs-3947R-PerCP                                                                                                                                  |
| Alternativnummer         | BSS-BS-3947R-PERCP-100                                                                                                                          |
| Hersteller               | Bioss                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | FC, IF, WB                                                                                                                                      |
| Spezies Reaktivität      | Human, Rat                                                                                                                                      |
| Konjugation              | PerCP                                                                                                                                           |
| Produktbeschreibung      | Plays a role in intermediary metabolism and energy production. It may tightly associate or interact with the pyruvate dehydrogenase complex.... |
| Klonalität               | Polyclonal                                                                                                                                      |
| Konzentration            | 1ug/ul                                                                                                                                          |
| NCBI                     | <a href="#">3418</a>                                                                                                                            |
| UniProt                  | <a href="#">P48735</a>                                                                                                                          |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                          |

|                        |                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human IDH2                                   |
| Target-Kategorie       | IDH2                                                                                       |
| Application Verdünnung | WB(1:300-5000), FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
