## Product Datasheet

### Recombinant human TMPRSS2 protein, APC Conjugated BSS-BS-41361P-APC

|                          |                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant human TMPRSS2 protein, APC Conjugated                                                                      |
| Artikelnummer            | BSS-BS-41361P-APC                                                                                                      |
| Hersteller Artikelnummer | bs-41361P-APC                                                                                                          |
| Alternativnummer         | BSS-BS-41361P-APC-20,BSS-BS-41361P-APC-100,BSS-BS-41361P-APC-500                                                       |
| Hersteller               | Bioss                                                                                                                  |
| Kategorie                | Proteine/Peptide                                                                                                       |
| Spezies Reaktivität      | Other                                                                                                                  |
| Konjugation              | APC                                                                                                                    |
| Tag                      | N-His                                                                                                                  |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                 |
| Quelle                   | Recombinant human TMPRSS2 protein is expressed in E.coli with N-His.It contains the amino acid sequence of 108-492/492 |
| Expression System        | E.coli                                                                                                                 |
| Reinheit                 | >90% as determined by SDS-PAGE                                                                                         |
