## Product Datasheet

### Recombinant SARS-COV-2 N+RBD protein, C-His, Unconjugated BSS-BS-41430P

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant SARS-COV-2 N+RBD protein, C-His, Unconjugated                                                                            |
| Artikelnummer            | BSS-BS-41430P                                                                                                                        |
| Hersteller Artikelnummer | bs-41430P                                                                                                                            |
| Alternativnummer         | BSS-BS-41430P-20,BSS-BS-41430P-100,BSS-BS-41430P-500                                                                                 |
| Hersteller               | Bioss                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                     |
| Applikation              | ELISA                                                                                                                                |
| Spezies Reaktivität      | Other                                                                                                                                |
| Konjugation              | Unconjugated                                                                                                                         |
| Tag                      | C-His                                                                                                                                |
| NCBI                     | <a href="#">43740575</a>                                                                                                             |
| UniProt                  | <a href="#">P0DTC9</a>                                                                                                               |
| Puffer                   | 0.01M TBS(pH7.4)                                                                                                                     |
| Quelle                   | Recombinant SARS-COV-2 N+RBD protein, C-His protein is expressed in E.coli with C-His. It contains the amino acid sequence of N+RBD. |
| Expression System        | E.coli                                                                                                                               |
| Reinheit                 | > 95% as determined by SDS- PAGE                                                                                                     |
