| Konjugation              | Cy5.5                                                                                                                                                                                                                                                |
| Produktbeschreibung      | NPTX1 is a member of the neuronal pentraxin gene family. Neuronal pentraxin 1 is similar to the rat NP1 gene which encodes a binding protein for the snake venom toxin taipoxin. Human NPTX1 mRNA is exclusively localized to the nervous system.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                           |
| Konzentration            | 1ug/ul                                                                                                                                                                                                                                               |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                              |
| Quelle                   | KLH conjugated synthetic peptide derived from human NPTX1                                                                                                                                                                                            |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Target-Kategorie       | NPTX1                                                                       |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
