## Product Datasheet

### **CD90/Thy-1 Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit BSS-BS-49172R-BF350**

|                          |                                                                                                                  |
|--------------------------|------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CD90/Thy-1 Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit                                         |
| Artikelnummer            | BSS-BS-49172R-BF350                                                                                              |
| Hersteller Artikelnummer | bs-49172R-BF350                                                                                                  |
| Alternativnummer         | BSS-BS-49172R-BF350-100                                                                                          |
| Hersteller               | Bioss                                                                                                            |
| Wirt                     | Rabbit                                                                                                           |
| Kategorie                | Antikörper                                                                                                       |
| Applikation              | IF, WB                                                                                                           |
| Spezies Reaktivität      | Mouse, Rat                                                                                                       |
| Konjugation              | BF350                                                                                                            |
| Produktbeschreibung      | May play a role in cell-cell or cell-ligand interactions during synaptogenesis and other events in the brain.... |
| Klonalität               | Polyclonal                                                                                                       |
| Konzentration            | 1ug/ul                                                                                                           |
| NCBI                     | <a href="#">24832</a>                                                                                            |
| UniProt                  | <a href="#">P01830</a>                                                                                           |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | Recombinant rat CD90/Thy-1 protein                                                                     |
| Target-Kategorie       | CD90/Thy-1                                                                                             |
| Application Verdünnung | WB(1:300-5000), IF()                                                                                   |
