| Alternativnummer         | BSS-BS-4991R-BIOTIN-100                                                                                                                                                                                           |
| Hersteller               | Bioss                                                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                                        |
| Applikation              | ELISA, WB                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                             |
| Konjugation              | Biotin                                                                                                                                                                                                            |
| Produktbeschreibung      | Binds to the Fc region of immunoglobulins gamma. Low affinity receptor. By binding to IgG it initiates cellular responses against pathogens and soluble antigens. Promotes phagocytosis of opsonized antigens.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                        |
| Konzentration            | 1ug/ul                                                                                                                                                                                                            |
