| Artikelnummer            | BSS-BS-9257R-PERCP-CY5.5                                                                                                                                                    |
| Hersteller Artikelnummer | bs-9257R-PerCP-Cy5.5                                                                                                                                                        |
| Alternativnummer         | BSS-BS-9257R-PERCP-CY5.5-100                                                                                                                                                |
| Hersteller               | Bioss                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                  |
| Applikation              | IF, WB                                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                |
| Konjugation              | PerCP/Cy5.5                                                                                                                                                                 |
| Produktbeschreibung      | RNF150 contains a RING-type zinc finger, a motif known to be involved in protein-protein and protein-DNA interactions. The specific function of this protein is unknown.... |
| Klonalität               | Polyclonal                                                                                                                                                                  |
| Konzentration            | 1ug/ul                                                                                                                                                                      |
| NCBI                     | <a href="#">57484</a>                                                                                                                                                       |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                      |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human RNF150 |
| Target-Kategorie       | RNF150                                                     |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200)                        |
