| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Konjugation              | BF555                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Shows chemotactic activity for monocytes, resting T-lymphocytes, and neutrophils, but not for activated lymphocytes. Inhibits proliferation of myeloid progenitor cells in colony formation assays. This protein can bind heparin. Binds CCR1. CCL23(19-99... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                   |
| Konzentration            | Lot dependent                                                                                                                                                                                                                                                 |
