| Artikelnummer            | BSS-BSM-61415R-PERCP-CY5.5                                                                                                                                                                                |
| Hersteller Artikelnummer | bsm-61415R-PerCP-Cy5.5                                                                                                                                                                                    |
| Alternativnummer         | BSS-BSM-61415R-PERCP-CY5.5-100                                                                                                                                                                            |
| Hersteller               | Bioss                                                                                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                                |
| Applikation              | FC, WB                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                                     |
| Konjugation              | PerCP/Cy5.5                                                                                                                                                                                               |
| Produktbeschreibung      | Involved in vitamin D transport and storage, scavenging of<br>extracellular G-actin, enhancement of the chemotactic activity of C5<br>alpha for neutrophils in inflammation and macrophage activation.... |
| Klonalität               | Recombinant                                                                                                                                                                                               |
| Konzentration            | Lot dependent                                                                                                                                                                                             |
| NCBI                     | <a href="#">2638</a>                                                                                                                                                                                      |
| UniProt                  | <a href="#">P02774</a>                                                                                                                                                                                    |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human Vitamin D binding protein                          |
| Target-Kategorie       | Vitamin D Binding protein                                                                              |
| Application Verdünnung | WB(1:500-2000), FCM(1:50-100)                                                                          |
