## Product Datasheet

### **Ku70 / XRCC6 Recombinant Antibody, HRP Conjugated, Rabbit BSS-BSM-61460R-HRP**

|                          |                                                                                                                                                                                                                      |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Ku70 / XRCC6 Recombinant Antibody, HRP Conjugated, Rabbit                                                                                                                                                            |
| Artikelnummer            | BSS-BSM-61460R-HRP                                                                                                                                                                                                   |
| Hersteller Artikelnummer | bsm-61460R-HRP                                                                                                                                                                                                       |
| Alternativnummer         | BSS-BSM-61460R-HRP-100                                                                                                                                                                                               |
| Hersteller               | Bioss                                                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                                           |
| Applikation              | IHC-Fr, IHC-P, WB                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                |
| Konjugation              | HRP                                                                                                                                                                                                                  |
| Produktbeschreibung      | Single-stranded DNA-dependent ATP-dependent helicase that plays a key role in DNA non-homologous end joining (NHEJ) by recruiting DNA-PK to DNA. Required for double-strand break repair and V(D)J recombination.... |
| Klonalität               | Recombinant                                                                                                                                                                                                          |
| Konzentration            | Lot dependent                                                                                                                                                                                                        |
| NCBI                     | <a href="#">2547</a>                                                                                                                                                                                                 |
| UniProt                  | <a href="#">P12956</a>                                                                                                                                                                                               |

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human Ku70                                                |
| Target-Kategorie       | Ku70 / XRCC6                                                                                            |
| Application Verdünnung | WB(1:300-5000), IHC-P(1:200-400), IHC-F(1:100-500)                                                      |
