| Kategorie                | Antikörper                                                                                                                                                                                                                                             |
| Applikation              | FC, WB                                                                                                                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                      |
| Konjugation              | APC/Cy7                                                                                                                                                                                                                                                |
| Produktbeschreibung      | Actin-binding protein that contains 2 major actin binding sites.Organizes filamentous actin into parallel bundles.Plays a role in the organization of actin filament bundles and the formation of microspikes, membrane ruffles, and stress fibers.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                            |
| Konzentration            | Lot dependent                                                                                                                                                                                                                                          |
| NCBI                     | <a href="#">6624</a>                                                                                                                                                                                                                                   |
| UniProt                  | <a href="#">Q16658</a>                                                                                                                                                                                                                                 |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human Fascin                                             |
| Target-Kategorie       | FSCN1                                                                                                  |
| Application Verdünnung | WB(1:300-5000), FCM(1ug/Test)                                                                          |
