## Product Datasheet

### CD82 Recombinant Antibody, PE-Cy5 Conjugated, PE/Cy5, Rabbit BSS-BSM-61627R-PE-CY5

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Artikelname              | CD82 Recombinant Antibody, PE-Cy5 Conjugated, PE/Cy5, Rabbit                                           |
| Artikelnummer            | BSS-BSM-61627R-PE-CY5                                                                                  |
| Hersteller Artikelnummer | bsm-61627R-PE-Cy5                                                                                      |
| Alternativnummer         | BSS-BSM-61627R-PE-CY5-100                                                                              |
| Hersteller               | Bioss                                                                                                  |
| Wirt                     | Rabbit                                                                                                 |
| Kategorie                | Antikörper                                                                                             |
| Applikation              | FC                                                                                                     |
| Spezies Reaktivität      | Human, Rat                                                                                             |
| Konjugation              | PE/Cy5                                                                                                 |
| Produktbeschreibung      | Associates with CD4 or CD8 and delivers costimulatory signals for the TCR/CD3 pathway....              |
| Klonalität               | Recombinant                                                                                            |
| Konzentration            | Lot dependent                                                                                          |
| NCBI                     | <a href="#">3732</a>                                                                                   |
| UniProt                  | <a href="#">P27701</a>                                                                                 |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                   | KLH conjugated synthetic peptide derived from human CD82                                               |

|                        |                        |
|------------------------|------------------------|
| Reinheit               | Purified by Protein A. |
| Target-Kategorie       | CD82                   |
| Antibody Type          | Primary Antibody       |
| Application Verdünnung | FCM(FCM(1:50-100))     |
