| Wirt                     | Rabbit                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                     |
| Applikation              | WB                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                              |
| Konjugation              | Cy5.5                                                                                                                                                                                                                          |
| Produktbeschreibung      | Plays a role in clathrin-mediated endocytosis and trafficking<br>.Involved in regulating AMPA receptor trafficking in the central nervous system in an NMDA-dependent manner.Regulates presynaptic nerve terminal activity.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                    |
| Konzentration            | Lot dependent                                                                                                                                                                                                                  |
| NCBI                     | <a href="#">3092</a>                                                                                                                                                                                                           |
| UniProt                  | <a href="#">O00291</a>                                                                                                                                                                                                         |

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human HIP 1                                               |
| Target-Kategorie       | HIP1                                                                                                    |
| Application Verdünnung | WB(1:300-5000)                                                                                          |
