| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC, IF, WB                                                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Konjugation              | PerCP/Cy5.5                                                                                                                                                                                                                                                   |
| Produktbeschreibung      | Export receptor for importin-alpha. Mediates importin-alpha re-export from the nucleus to the cytoplasm after import substrates (cargos) have been released into the nucleoplasm. In the nucleus binds cooperatively to importin-alpha and to the GTPase R... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                   |
| Konzentration            | Lot dependent                                                                                                                                                                                                                                                 |
