## Product Datasheet

### SF3B1 Recombinant Antibody, PE-Cy7 Conjugated, PE/Cy7, Rabbit BSS-BSM-61871R-PE-CY7

|                          |                                                                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | SF3B1 Recombinant Antibody, PE-Cy7 Conjugated, PE/Cy7, Rabbit                                                                                   |
| Artikelnummer            | BSS-BSM-61871R-PE-CY7                                                                                                                           |
| Hersteller Artikelnummer | bsm-61871R-PE-Cy7                                                                                                                               |
| Alternativnummer         | BSS-BSM-61871R-PE-CY7-100                                                                                                                       |
| Hersteller               | Bioss                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | FC, WB                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                               |
| Konjugation              | PE/Cy7                                                                                                                                          |
| Produktbeschreibung      | Component of the 17S U2 SnRNP complex of the spliceosome, a large ribonucleoprotein complex that removes introns from transcribed pre-mRNAs.... |
| Klonalität               | Recombinant                                                                                                                                     |
| Konzentration            | Lot dependent                                                                                                                                   |
| NCBI                     | <a href="#">23451</a>                                                                                                                           |
| UniProt                  | <a href="#">O75533</a>                                                                                                                          |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                          |

|                        |                                                           |
|------------------------|-----------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human SF3B1 |
| Target-Kategorie       | SF3B1                                                     |
| Application Verdünnung | WB(1:300-5000), FCM(1ug/Test)                             |
