| Artikelname              | NCS1 Recombinant Antibody, HRP Conjugated, Rabbit                                                                                                                                                       |
| Artikelnummer            | BSS-BSM-62455R-HRP                                                                                                                                                                                      |
| Hersteller Artikelnummer | bsm-62455R-HRP                                                                                                                                                                                          |
| Alternativnummer         | BSS-BSM-62455R-HRP-100                                                                                                                                                                                  |
| Hersteller               | Bioss                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                              |
| Applikation              | IHC-Fr, IHC-P, WB                                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                       |
| Konjugation              | HRP                                                                                                                                                                                                     |
| Produktbeschreibung      | Neuronal calcium sensor, regulator of G protein-coupled receptor phosphorylation in a calcium dependent manner. Directly regulates GRK1 (RHOK), but not GRK2 to GRK5. Can substitute for calmodulin.... |
| Klonalität               | Recombinant                                                                                                                                                                                             |
| Konzentration            | Lot dependent                                                                                                                                                                                           |
| NCBI                     | <a href="#">23413</a>                                                                                                                                                                                   |
| UniProt                  | <a href="#">P62166</a>                                                                                                                                                                                  |

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human NCS 1                                               |
| Target-Kategorie       | NCS1                                                                                                    |
| Application Verdünnung | WB(1:300-5000), IHC-P(1:200-400), IHC-F(1:100-500)                                                      |
