## Product Datasheet

### **AGL Recombinant Antibody, PE-Cy5.5 Conjugated, PE/Cy5.5, Rabbit BSS-BSM-62521R-PE-CY5.5**

|                          |                                                                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | AGL Recombinant Antibody, PE-Cy5.5 Conjugated, PE/Cy5.5, Rabbit                                                                                            |
| Artikelnummer            | BSS-BSM-62521R-PE-CY5.5                                                                                                                                    |
| Hersteller Artikelnummer | bsm-62521R-PE-Cy5.5                                                                                                                                        |
| Alternativnummer         | BSS-BSM-62521R-PE-CY5.5-100                                                                                                                                |
| Hersteller               | Bioss                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                 |
| Applikation              | FC, WB                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                          |
| Konjugation              | PE/Cy5.5                                                                                                                                                   |
| Produktbeschreibung      | Multifunctional enzyme acting as 1,4-alpha-D-glucan:1,4-alpha-D-glucan 4-alpha-D-glycosyltransferase and amylo-1,6-glucosidase in glycogen degradation.... |
| Klonalität               | Recombinant                                                                                                                                                |
| Konzentration            | Lot dependent                                                                                                                                              |
| NCBI                     | <a href="#">178</a>                                                                                                                                        |
| UniProt                  | <a href="#">P35573</a>                                                                                                                                     |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                     |

|                        |                                                         |
|------------------------|---------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human AGL |
| Target-Kategorie       | AGL                                                     |
| Application Verdünnung | WB(1:300-5000), FCM(1ug/Test)                           |
