| Alternativnummer         | BSS-BSM-62523R-BF647-100                                                                                                                                                            |
| Hersteller               | Bioss                                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                          |
| Applikation              | IF, WB                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                               |
| Konjugation              | BF647                                                                                                                                                                               |
| Produktbeschreibung      | Required for ribosome biogenesis and telomere maintenance. Part of the H/ACA small nucleolar ribonucleoprotein (H/ACA snoRNP) complex, which catalyzes pseudouridylation of rRNA... |
| Klonalität               | Recombinant                                                                                                                                                                         |
| Konzentration            | Lot dependent                                                                                                                                                                       |
| NCBI                     | <a href="#">55505</a>                                                                                                                                                               |
| UniProt                  | <a href="#">Q9NPE3</a>                                                                                                                                                              |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human NOP10                                              |
| Target-Kategorie       | NOP10                                                                                                  |
| Application Verdünnung | WB(1:300-5000), IF()                                                                                   |
