| Artikelnummer            | BSS-BSM-62524R                                                                                                                                                                                                                   |
| Hersteller Artikelnummer | bsm-62524R                                                                                                                                                                                                                       |
| Alternativnummer         | BSS-BSM-62524R-100                                                                                                                                                                                                               |
| Hersteller               | Bioss                                                                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                       |
| Applikation              | FC, ICC, IF, WB                                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                            |
| Konjugation              | Unconjugated                                                                                                                                                                                                                     |
| Produktbeschreibung      | Receptor for neuropeptide Y and peptide YY. The activity of this receptor is mediated by G proteins that inhibit adenylate cyclase activity. Seems to be associated with food intake. Could be involved in feeding disorders.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                      |
| Konzentration            | Lot dependent                                                                                                                                                                                                                    |
| NCBI                     | <a href="#">4889</a>                                                                                                                                                                                                             |
| UniProt                  | <a href="#">Q15761</a>                                                                                                                                                                                                           |
| Puffer                   | 0.01M TBS (pH 7.4), 1% BSA, 0.02% Proclin 300, and 50% Glycerol                                                                                                                                                                  |

|                        |                                                           |
