| Artikelnummer            | BSS-BSM-62524R-BF405                                                                                                                                                                                                             |
| Hersteller Artikelnummer | bsm-62524R-BF405                                                                                                                                                                                                                 |
| Alternativnummer         | BSS-BSM-62524R-BF405-100                                                                                                                                                                                                         |
| Hersteller               | Bioss                                                                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                       |
| Applikation              | FC, WB                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                            |
| Konjugation              | BF405                                                                                                                                                                                                                            |
| Produktbeschreibung      | Receptor for neuropeptide Y and peptide YY. The activity of this receptor is mediated by G proteins that inhibit adenylate cyclase activity. Seems to be associated with food intake. Could be involved in feeding disorders.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                      |
| Konzentration            | Lot dependent                                                                                                                                                                                                                    |
| NCBI                     | <a href="#">4889</a>                                                                                                                                                                                                             |
| UniProt                  | <a href="#">Q15761</a>                                                                                                                                                                                                           |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human NPY5R                                              |
| Target-Kategorie       | NPY5R                                                                                                  |
| Application Verdünnung | WB(1:300-5000), FCM(1ug/Test)                                                                          |
