## Product Datasheet

### USF-1 Recombinant Antibody, PE-Cy5.5 Conjugated, PE/Cy5.5, Rabbit BSS-BSM-62624R-PE-CY5.5

|                          |                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | USF-1 Recombinant Antibody, PE-Cy5.5 Conjugated, PE/Cy5.5, Rabbit                                                                                   |
| Artikelnummer            | BSS-BSM-62624R-PE-CY5.5                                                                                                                             |
| Hersteller Artikelnummer | bsm-62624R-PE-Cy5.5                                                                                                                                 |
| Alternativnummer         | BSS-BSM-62624R-PE-CY5.5-100                                                                                                                         |
| Hersteller               | Bioss                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | WB                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                   |
| Konjugation              | PE/Cy5.5                                                                                                                                            |
| Produktbeschreibung      | Transcription factor that binds to a symmetrical DNA sequence (E-boxes) (5-CACGTG-3) that is found in a variety of viral and cellular promoters.... |
| Klonalität               | Recombinant                                                                                                                                         |
| Konzentration            | Lot dependent                                                                                                                                       |
| NCBI                     | <a href="#">7391</a>                                                                                                                                |
| UniProt                  | <a href="#">P22415</a>                                                                                                                              |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                              |

|                        |                                                          |
|------------------------|----------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human USF1 |
| Target-Kategorie       | USF-1                                                    |
| Application Verdünnung | WB(1:300-5000)                                           |
