| Artikelname              | ITPK1 Recombinant Antibody, FITC Conjugated, Rabbit                                                                                                                           |
| Artikelnummer            | BSS-BSM-62674R-FITC                                                                                                                                                           |
| Hersteller Artikelnummer | bsm-62674R-FITC                                                                                                                                                               |
| Alternativnummer         | BSS-BSM-62674R-FITC-100                                                                                                                                                       |
| Hersteller               | Bioss                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                    |
| Applikation              | IF, WB                                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                         |
| Konjugation              | FITC                                                                                                                                                                          |
| Produktbeschreibung      | Kinase that can phosphorylate various inositol polyphosphate such as Ins(3,4,5,6)P4 or Ins(1,3,4)P3. Phosphorylates Ins(3,4,5,6)P4 at position 1 to form Ins(1,3,4,5,6)P5.... |
| Klonalität               | Recombinant                                                                                                                                                                   |
| Konzentration            | Lot dependent                                                                                                                                                                 |
| NCBI                     | <a href="#">3705</a>                                                                                                                                                          |
| UniProt                  | <a href="#">Q13572</a>                                                                                                                                                        |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                       |

|                        |                                                           |
|------------------------|-----------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human ITPK1 |
| Target-Kategorie       | ITPK1                                                     |
| Application Verdünnung | WB(1:300-5000), IF()                                      |
