## Product Datasheet

### AdSS2 Recombinant Antibody, APC-Cy5.5 Conjugated, APC/Cy5.5, Rabbit BSS-BSM-62680R-APC-CY5.5

|                          |                                                                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | AdSS2 Recombinant Antibody, APC-Cy5.5 Conjugated, APC/Cy5.5, Rabbit                                                                                                                     |
| Artikelnummer            | BSS-BSM-62680R-APC-CY5.5                                                                                                                                                                |
| Hersteller Artikelnummer | bsm-62680R-APC-Cy5.5                                                                                                                                                                    |
| Alternativnummer         | BSS-BSM-62680R-APC-CY5.5-100                                                                                                                                                            |
| Hersteller               | Bioss                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Applikation              | FC, WB                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                       |
| Konjugation              | APC/Cy5.5                                                                                                                                                                               |
| Produktbeschreibung      | Plays an important role in the de novo pathway and in the salvage pathway of purine nucleotide biosynthesis. Catalyzes the first committed step in the biosynthesis of AMP from IMP.... |
| Klonalität               | Recombinant                                                                                                                                                                             |
| Konzentration            | Lot dependent                                                                                                                                                                           |
| NCBI                     | <a href="#">159</a>                                                                                                                                                                     |
| UniProt                  | <a href="#">P30520</a>                                                                                                                                                                  |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human AdSS 2                                             |
| Target-Kategorie       | AdSS2                                                                                                  |
| Application Verdünnung | WB(1:300-5000), FCM(1ug/Test)                                                                          |
