| Artikelname              | AdSS2 Recombinant Antibody, Cy3 Conjugated, Rabbit                                                                                                                                      |
| Artikelnummer            | BSS-BSM-62680R-CY3                                                                                                                                                                      |
| Hersteller Artikelnummer | bsm-62680R-Cy3                                                                                                                                                                          |
| Alternativnummer         | BSS-BSM-62680R-CY3-100                                                                                                                                                                  |
| Hersteller               | Bioss                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Applikation              | FC, WB                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                       |
| Konjugation              | Cy3                                                                                                                                                                                     |
| Produktbeschreibung      | Plays an important role in the de novo pathway and in the salvage pathway of purine nucleotide biosynthesis. Catalyzes the first committed step in the biosynthesis of AMP from IMP.... |
| Klonalität               | Recombinant                                                                                                                                                                             |
| Konzentration            | Lot dependent                                                                                                                                                                           |
| NCBI                     | <a href="#">159</a>                                                                                                                                                                     |
| UniProt                  | <a href="#">P30520</a>                                                                                                                                                                  |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                 |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human AdSS 2 |
| Target-Kategorie       | AdSS2                                                      |
| Application Verdünnung | WB(1:300-5000), FCM(1ug/Test)                              |
