| Artikelname              | DLX3 Recombinant Antibody, AbBy Fluor-488 Conjugated, BF488, Rabbit                                                                                   |
| Artikelnummer            | BSS-BSM-62683R-BF488                                                                                                                                  |
| Hersteller Artikelnummer | bsm-62683R-BF488                                                                                                                                      |
| Alternativnummer         | BSS-BSM-62683R-BF488-100                                                                                                                              |
| Hersteller               | Bioss                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | WB                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                 |
| Konjugation              | BF488                                                                                                                                                 |
| Produktbeschreibung      | Transcriptional activator. Activates transcription of GNRHR, via binding to the downstream activin regulatory element (DARE) in the gene promoter.... |
| Klonalität               | Recombinant                                                                                                                                           |
| Konzentration            | Lot dependent                                                                                                                                         |
| NCBI                     | <a href="#">1747</a>                                                                                                                                  |
| UniProt                  | <a href="#">O60479</a>                                                                                                                                |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human DLX3                                               |
| Target-Kategorie       | DLX3                                                                                                   |
| Application Verdünnung | WB(1:300-5000)                                                                                         |
