## Product Datasheet

### **Pantophysin Recombinant Antibody, AbBy Fluor-750 Conjugated, BF750, Rabbit BSS-BSM-62850R-BF750**

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| Artikelname              | Pantophysin Recombinant Antibody, AbBy Fluor-750 Conjugated, BF750, Rabbit                       |
| Artikelnummer            | BSS-BSM-62850R-BF750                                                                             |
| Hersteller Artikelnummer | bsm-62850R-BF750                                                                                 |
| Alternativnummer         | BSS-BSM-62850R-BF750-100                                                                         |
| Hersteller               | Bioss                                                                                            |
| Wirt                     | Rabbit                                                                                           |
| Kategorie                | Antikörper                                                                                       |
| Applikation              | IF, WB                                                                                           |
| Spezies Reaktivität      | Human                                                                                            |
| Konjugation              | BF750                                                                                            |
| Produktbeschreibung      | Predicted to be involved in chemical synaptic transmission. Located in extracellular exosome.... |
| Klonalität               | Recombinant                                                                                      |
| Konzentration            | Lot dependent                                                                                    |
| NCBI                     | <a href="#">6856</a>                                                                             |
| UniProt                  | <a href="#">Q16563</a>                                                                           |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human SYPL1                                              |
| Target-Kategorie       | Pantophysin                                                                                            |
| Application Verdünnung | WB(1:300-5000), IF()                                                                                   |
