## Product Datasheet

### USP5 Recombinant Antibody, AbBy Fluor-594 Conjugated, BF594, Rabbit BSS-BSM-62851R-BF594

|                          |                                                                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | USP5 Recombinant Antibody, AbBy Fluor-594 Conjugated, BF594, Rabbit                                                                                                    |
| Artikelnummer            | BSS-BSM-62851R-BF594                                                                                                                                                   |
| Hersteller Artikelnummer | bsm-62851R-BF594                                                                                                                                                       |
| Alternativnummer         | BSS-BSM-62851R-BF594-100                                                                                                                                               |
| Hersteller               | Bioss                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | WB                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                      |
| Konjugation              | BF594                                                                                                                                                                  |
| Produktbeschreibung      | Cleaves linear and branched multiubiquitin polymers with a marked preference for branched polymers. Involved in unanchored Lys-48-linked polyubiquitin disassembly.... |
| Klonalität               | Recombinant                                                                                                                                                            |
| Konzentration            | Lot dependent                                                                                                                                                          |
| NCBI                     | <a href="#">8078</a>                                                                                                                                                   |
| UniProt                  | <a href="#">P45974</a>                                                                                                                                                 |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human USP5                                               |
| Target-Kategorie       | USP5                                                                                                   |
| Application Verdünnung | WB(1:300-5000)                                                                                         |
