| Hersteller               | Aves Labs                                                                                                                                                                                                                                            |
| Wirt                     | Gallus                                                                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                                                                           |
| Applikation              | ICC, IHC, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                    |
| Immunogen                | Recombinant protein encompassing the full cytoplasmic domain of human TOMM20                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Our Anti-Mitochondrial Import Receptor Subunit TOM20 Homolog chicken polyclonal primary antibody from Aves Labs is produced in-house. It detects human, mouse, and rat TOMM20, and is affinity-purified IgY. It is great for use in ICC, IHC, WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                           |
| Konzentration            | 200 µg/mL                                                                                                                                                                                                                                            |
| Molekulargewicht         | 16 kDa                                                                                                                                                                                                                                               |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q15388</a>                                                                                                        |
| Puffer                 | Phosphate-buffered (10 mM) isotonic (0.9%, w/v) saline ("PBS, pH 7.2) with sodium azide (0.02%, w/v) added as a preservative. |
| Formulierung           | Liquid                                                                                                                        |
| Target-Kategorie       | Mitochondrial Import Receptor Subunit TOM20 Homolog                                                                           |
| Antibody Type          | Primary Antibody                                                                                                              |
| Application Verdünnung | Dilution Range: WB Brain: 1:500-1:1000. Dilution Range: ICC: 1:50-1:200                                                       |
