| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | A portion of amino acids 40-70 from the human protein was used as the immunogen for this Ubiquilin1 antibody.                                                                                                                                                 |
| Produktbeschreibung      | Ubiquilin 1 (UBQLN1), also known as DA41, was isolated from an adult rat lung cDNA library, and encodes a cellular protein that associates with DAN.1 DAN expression is reduced in rat fibroblast 3Y1 cells transformed with mouse sarcoma virus and in ro... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">Q9UMX0</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified                                                                                                                                                                                                                                                      |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                                                                                                                    |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Primary Antibody                                                                                                          |
| Application Verdünnung | Western blot: 1:1000                                                                                                      |
| Anwendungsbeschreibung | Titration of the Ubiquilin1 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
