## Product Datasheet

### PTPN12 Antibody, Rabbit, Polyclonal NSJ-F53848-0.2ML

|                          |                                                                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | PTPN12 Antibody, Rabbit, Polyclonal                                                                                                                                    |
| Artikelnummer            | NSJ-F53848-0.2ML                                                                                                                                                       |
| Hersteller Artikelnummer | F53848-0.2ML                                                                                                                                                           |
| Alternativnummer         | NSJ-F53848-0.2ML                                                                                                                                                       |
| Hersteller               | NSJ Bioreagents                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | WB                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                  |
| Immunogen                | A portion of amino acids 681-714 from the human protein was used as the immunogen for the PTPN12 antibody.                                                             |
| Produktbeschreibung      | Protein tyrosine phosphatase non-receptor type 12 dephosphorylates cellular tyrosine kinases, including PTK2B/PYK2, and thereby regulates signaling via PTK2B/PYK2.... |
| Klonalität               | Polyclonal                                                                                                                                                             |
| UniProt                  | <a href="#">Q05209</a>                                                                                                                                                 |
| Reinheit                 | Antigen affinity                                                                                                                                                       |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                             |
| Antibody Type            | Primary Antibody                                                                                                                                                       |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Western blot: 1:500-1000                                                                                              |
| Anwendungsbeschreibung | Titration of the PTPN12 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
