| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Amino acids 24-387 of human SGCA were used as the immunogen for the SGCA antibody.                                                                                                                                                                            |
| Produktbeschreibung      | Alpha-sarcoglycan, or Dystroglycan 2, is a protein that in humans is encoded by the SGCA gene. This gene encodes a component of the dystrophin-glycoprotein complex (DGC), which is critical to the stability of muscle fiber membranes and to the linking... |

| UniProt                  | <a href="#">Q16586</a>                                                                                                                                                                                                                                        |
| Puffer                   | Lyophilized from 1X PBS with 2.5% BSA and 0.025% sodium azide                                                                                                                                                                                                 |
| Reinheit                 | Antigen affinity                                                                                                                                                                                                                                              |

|                        |                                                                               |
|------------------------|-------------------------------------------------------------------------------|
| Formulierung           | 0.5mg/ml if reconstituted with 0.2ml sterile DI water                         |
| Antibody Type          | Primary Antibody                                                              |
| Application Verdünnung | Western blot: 0.1-0.5ug/ml                                                    |
| Anwendungsbeschreibung | Optimal dilution of the SGCA antibody should be determined by the researcher. |
