## Product Datasheet

### **PSMF1 Antibody / PI31 / Proteasome inhibitor PI31 subunit, Goat, Polyclonal NSJ-R33470-100UG**

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Artikelname              | PSMF1 Antibody / PI31 / Proteasome inhibitor PI31 subunit, Goat, Polyclonal   |
| Artikelnummer            | NSJ-R33470-100UG                                                              |
| Hersteller Artikelnummer | R33470-100UG                                                                  |
| Alternativnummer         | NSJ-R33470-100UG                                                              |
| Hersteller               | NSJ Bioreagents                                                               |
| Wirt                     | Goat                                                                          |
| Kategorie                | Antikörper                                                                    |
| Applikation              | ELISA, WB                                                                     |
| Spezies Reaktivität      | Human                                                                         |
| Immunogen                | Amino acids DHLPPPGYDDMYL were used as the immunogen for this PSMF1 antibody. |
| Produktbeschreibung      | Additional name(s) for this target protein: Proteasome inhibitor PI31...      |
| Klonalität               | Polyclonal                                                                    |
| Reinheit                 | Antigen affinity                                                              |
| Formulierung             | 0.5 mg/ml in 1X TBS, pH7.3, with 0.5% BSA (US sourced) and 0.02% sodium azide |
| Antibody Type            | Primary Antibody                                                              |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Western blot: 1-3ug/ml,ELISA (peptide) LOD: 1:32000                                                                             |
| Anwendungsbeschreibung | Optimal dilution of the PSMF1 antibody should be determined by the researcher.1. This PSMF1 antibody is specific for isoform 1. |
