### OAS1 Antibody, Goat, Polyclonal NSJ-R36183-100UG

|                          |                                                                                |
|--------------------------|--------------------------------------------------------------------------------|
| Artikelname              | OAS1 Antibody, Goat, Polyclonal                                                |
| Artikelnummer            | NSJ-R36183-100UG                                                               |
| Hersteller Artikelnummer | R36183-100UG                                                                   |
| Alternativnummer         | NSJ-R36183-100UG                                                               |
| Hersteller               | NSJ Bioreagents                                                                |
| Wirt                     | Goat                                                                           |
| Kategorie                | Antikörper                                                                     |
| Applikation              | ELISA, WB                                                                      |
| Spezies Reaktivität      | Human                                                                          |
| Immunogen                | Amino acids THEYPHFSHRPST were used as the immunogen for this OAS1 antibody.   |
| Produktbeschreibung      | Additional name(s) for this target protein: 2-5-oligoadenylate synthetase 1... |
| Klonalität               | Polyclonal                                                                     |
| Reinheit                 | Antigen affinity                                                               |
| Formulierung             | 0.5 mg/ml in 1X TBS, pH7.3, with 0.5% BSA (US sourced) and 0.02% sodium azide  |
| Antibody Type            | Primary Antibody                                                               |
| Application Verdünnung   | Western blot: 1-3ug/ml,ELISA (peptide) LOD: 1:128000                           |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Optimal dilution of the OAS1 antibody should be determined by the researcher.1. This OAS1 antibody is specific for isoform 1. |
