| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A cytoskeleton preparation from HeLa cells was used as the immunogen for the Cytokeratin 8/18 antibody.                                                                                                                                                       |
| Produktbeschreibung      | Cytokeratin 8 (CK8) belongs to the type II (or B or basic) subfamily of high molecular weight cytokeratins and exists in combination with cytokeratin 18 (CK18). This mAb recognizes all simple epithelia including glandular epithelium, for example thyr... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [rKRT8.18/1346]                                                                                                                                                                                                                                               |
| UniProt                  | <a href="#">P05787</a>                                                                                                                                                                                                                                        |

|                        |                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------|
| Reinheit               | Protein G affinity chromatography                                                         |
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                            |
| Antibody Type          | Primary Antibody                                                                          |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml for 30 min at RT                                    |
| Anwendungsbeschreibung | Optimal dilution of the Cytokeratin 8/18 antibody should be determined by the researcher. |
