| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant full-length human protein was used as the immunogen for the S100A2 antibody.                                                                                                                                                                      |
| Produktbeschreibung      | S100A2 belongs to the S100 family of proteins containing 2 EF-hand calcium-binding motifs. S100A2 may function as a modulator against excess calcium accumulation in normal human mammary epithelial cells and also have a role in suppressing tumor cell ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [S100A2/6925]                                                                                                                                                                                                                                                 |
| UniProt                  | <a href="#">P29034</a>                                                                                                                                                                                                                                        |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Reinheit               | Protein A/G affinity                                                            |
| Formulierung           | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced), 0.05% sodium azide         |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml for 30 min at RT                          |
| Anwendungsbeschreibung | Optimal dilution of the S100A2 antibody should be determined by the researcher. |
