| Alternativnummer         | NSJ-V4728SAF-100UG                                                                                                                                                                                                                                            |
| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A recombinant partial protein sequence (within amino acids 1-92) from the human protein was used as the immunogen for the S100A5 antibody.                                                                                                                    |
| Produktbeschreibung      | The S-100 proteins are small calcium-binding proteins which display different expression patterns in human tissues. Some S-100 proteins are associated with tumor development and the metastatic behavior of tumors. S-100A5 (S100 calcium binding protein... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [S100A5/7474]                                                                                                                                                                                                                                                 |
| UniProt                  | <a href="#">P33763</a>                                                                                                                                                                                                                                        |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Reinheit               | Protein A/G affinity                                                            |
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                  |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml for 30 min at RT                          |
| Anwendungsbeschreibung | Optimal dilution of the S100A5 antibody should be determined by the researcher. |
