| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant full-length human CD117/KIT protein was used as the immunogen for the recombinant CD117 antibody.                                                                                                                                                 |
| Produktbeschreibung      | This MAb recognizes a protein of 145kDa, identified as CD117/p145kit. It is found on a wide variety of tumor cells including follicular and papillary carcinoma of thyroid, adenocarcinomas from endometrium, lung, ovary, pancreas, and breast as well as... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [rC117/9253]                                                                                                                                                                                                                                                  |
| UniProt                  | <a href="#">P10721</a>                                                                                                                                                                                                                                        |

|                        |                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------|
| Reinheit               | Protein A/G affinity                                                                       |
| Formulierung           | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced), 0.05% sodium azide                    |
| Antibody Type          | Primary Antibody                                                                           |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml                                                      |
| Anwendungsbeschreibung | Optimal dilution of the recombinant CD117 antibody should be determined by the researcher. |
