| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A recombinant fragment (within amino acids 445-620) of human BRCA1 protein was used as the immunogen for the BRCA1 antibody.                                                                                                                                  |
| Produktbeschreibung      | This gene encodes a nuclear phosphoprotein that plays a role in maintaining genomic stability, and it also acts as a tumor suppressor. The encoded protein combines with other tumor suppressors, DNA damage sensors, and signal transducers to form a lar... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [BRCA1/2973]                                                                                                                                                                                                                                                  |
| UniProt                  | <a href="#">P38398</a>                                                                                                                                                                                                                                        |

|                        |                                                                                |
|------------------------|--------------------------------------------------------------------------------|
| Reinheit               | Protein A/G affinity                                                           |
| Formulierung           | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced), 0.05% sodium azide        |
| Antibody Type          | Primary Antibody                                                               |
| Application Verdünnung | ELISA                                                                          |
| Anwendungsbeschreibung | Optimal dilution of the BRCA1 antibody should be determined by the researcher. |
