| Kategorie                | Antikörper                                                                                                                                                                                                                                                            |
| Applikation              | ELISA                                                                                                                                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                                 |
| Immunogen                | A portion of amino acids 191-281 was used as the immunogen for the ERCC1 antibody.                                                                                                                                                                                    |
| Produktbeschreibung      | Recognizes a protein of 110kDa, identified as Excision Repair Cross Complementing 1 (ERCC1). It is a mammalian nucleotide excision repair (NER) enzyme involved in repair of damaged DNA. ERCC1 is a homologous to RAD10 in <i>Saccharomyces cerevisiae</i> , whic... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                            |
| Klon-Bezeichnung         | [ERCC1/2318]                                                                                                                                                                                                                                                          |
| UniProt                  | <a href="#">P07992</a>                                                                                                                                                                                                                                                |
| Reinheit                 | Protein A/G affinity                                                                                                                                                                                                                                                  |

|                        |                                                                                |
|------------------------|--------------------------------------------------------------------------------|
| Formulierung           | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced), 0.05% sodium azide        |
| Antibody Type          | Primary Antibody                                                               |
| Application Verdünnung | ELISA (order BSA-free format for coating)                                      |
| Anwendungsbeschreibung | Optimal dilution of the ERCC1 antibody should be determined by the researcher. |
