## Product Datasheet

### **Recombinant Synaptophysin Antibody / SYP, Clone: [SYP/4389R], Rabbit, Monoclonal NSJ-V9165SAF-100UG**

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Synaptophysin Antibody / SYP, Clone: [SYP/4389R], Rabbit, Monoclonal                       |
| Artikelnummer            | NSJ-V9165SAF-100UG                                                                                     |
| Hersteller Artikelnummer | V9165SAF-100UG                                                                                         |
| Alternativnummer         | NSJ-V9165SAF-100UG                                                                                     |
| Hersteller               | NSJ Bioreagents                                                                                        |
| Wirt                     | Rabbit                                                                                                 |
| Kategorie                | Antikörper                                                                                             |
| Applikation              | IHC-P                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                  |
| Immunogen                | A portion of amino acids 274-313 was used as the immunogen for the recombinant Synaptophysin antibody. |
| Produktbeschreibung      | Synaptophysin is an N-glycosylated integral membrane protein found in neurons and endocrine cells....  |
| Klonalität               | Monoclonal                                                                                             |
| Klon-Bezeichnung         | [SYP/4389R]                                                                                            |
| UniProt                  | <a href="#">P08247</a>                                                                                 |
| Reinheit                 | Protein A/G affinity                                                                                   |

|                        |                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------|
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                                     |
| Antibody Type          | Primary Antibody                                                                                   |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml                                                              |
| Anwendungsbeschreibung | Optimal dilution of the recombinant Synaptophysin antibody should be determined by the researcher. |
