## Product Datasheet

### **IRF3 Antibody / Interferon regulatory factor 3, Clone: [PCRP-IRF3-1E11], Mouse, Monoclonal NSJ-V9198-20UG**

|                          |                                                                                                                                    |

| Artikelname              | IRF3 Antibody / Interferon regulatory factor 3, Clone: [PCRP-IRF3-1E11], Mouse, Monoclonal                                         |
| Artikelnummer            | NSJ-V9198-20UG                                                                                                                     |
| Hersteller Artikelnummer | V9198-20UG                                                                                                                         |
| Alternativnummer         | NSJ-V9198-20UG                                                                                                                     |
| Hersteller               | NSJ Bioreagents                                                                                                                    |
| Wirt                     | Mouse                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | IF, WB                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                              |
| Immunogen                | Recombinant full-length human IRF3 protein was used as the immunogen for the IRF3 antibody.                                        |
| Produktbeschreibung      | Interferon regulatory factor 3 is a key transcription factor regulating the IFN response during SARS-CoV-2 infection. [UniProt]... |
| Klonalität               | Monoclonal                                                                                                                         |
| Klon-Bezeichnung         | [PCRP-IRF3-1E11]                                                                                                                   |
| UniProt                  | <a href="#">Q14653</a>                                                                                                             |
| Reinheit                 | Protein A/G affinity                                                                                                               |

|                        |                                                                               |
|------------------------|-------------------------------------------------------------------------------|
| Formulierung           | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced), 0.05% sodium azide       |
| Antibody Type          | Primary Antibody                                                              |
| Application Verdünnung | Immunofluorescence: 1-2ug/ml,Western blot: 1-2ug/ml                           |
| Anwendungsbeschreibung | Optimal dilution of the IRF3 antibody should be determined by the researcher. |
