## Product Datasheet

### **ZBTB7C Antibody / KR-POK, Clone: [PCRP-ZBTB7C-4E12], Mouse, Monoclonal NSJ-V9227SAF-100UG**

|                          |                                                                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ZBTB7C Antibody / KR-POK, Clone: [PCRP-ZBTB7C-4E12], Mouse, Monoclonal                                                            |
| Artikelnummer            | NSJ-V9227SAF-100UG                                                                                                                |
| Hersteller Artikelnummer | V9227SAF-100UG                                                                                                                    |
| Alternativnummer         | NSJ-V9227SAF-100UG                                                                                                                |
| Hersteller               | NSJ Bioreagents                                                                                                                   |
| Wirt                     | Mouse                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                        |
| Applikation              | FACS, IF                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                             |
| Immunogen                | Recombinant full-length human ZBTB7C protein was used as the immunogen for the ZBTB7C antibody.                                   |
| Produktbeschreibung      | Zinc finger and BTB domain-containing protein 7C (ZBTB7C) is involved in negative regulation of cell population proliferation.... |
| Klonalität               | Monoclonal                                                                                                                        |
| Klon-Bezeichnung         | [PCRP-ZBTB7C-4E12]                                                                                                                |
| UniProt                  | <a href="#">A1YPRO</a>                                                                                                            |
| Reinheit                 | Protein A/G affinity                                                                                                              |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                  |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | Flow cytometry: 1-2ug/million cells,Immunofluorescence: 1-2ug/ml                |
| Anwendungsbeschreibung | Optimal dilution of the ZBTB7C antibody should be determined by the researcher. |
