| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Full length recombinant human protein was used as the immunogen for the recombinant FSCN1 antibody.                                                                                                                                                           |
| Produktbeschreibung      | Recognizes a protein of 55kDa, which is identified as Fascin-1. Its actin binding ability is regulated by phosphorylation. Antibody to fascin-1 is a very sensitive marker for Reed-Sternberg cells and variants in nodular sclerosis, mixed cellularity, ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [rFSCN1/6464]                                                                                                                                                                                                                                                 |
| UniProt                  | <a href="#">Q16658</a>                                                                                                                                                                                                                                        |

|                        |                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------|
| Reinheit               | Protein A/G affinity                                                                       |
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                             |
| Antibody Type          | Primary Antibody                                                                           |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml                                                      |
| Anwendungsbeschreibung | Optimal dilution of the recombinant FSCN1 antibody should be determined by the researcher. |
