| Produktbeschreibung      | Our Anti-BAF53a mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N336B/83. It detects human, mouse, and rat BAF53a, and is purified by Protein A chromatography. It is great for use in ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                               |

|                        |                                              |
|------------------------|----------------------------------------------|
| Konzentration          | 0.5 mg/mL                                    |
| Klon-Bezeichnung       | [N336B/83]                                   |
| Molekulargewicht       | 53 kDa                                       |
| Isotyp                 | IgG2b                                        |
| UniProt                | <a href="#">O96019</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | BAF53a                                       |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
