| Hersteller               | Antibodies Incorporated                                                                                                                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                  |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                                                                                  |
| Immunogen                | Fusion protein amino acids 727-888 (C-terminus) of mouse MAP3K12 (accession number Q60700) produced recombinantly in E. Coli                                                                                                                                |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                |
| Produktbeschreibung      | Our Anti-MAP3K12 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N377/20. It is KO validated, detects mouse and rat MAP3K12, and is purified by Protein A chromatography. It is great for use in IHC, ICC, WB.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                  |
| Konzentration            | 1 mg/mL                                                                                                                                                                                                                                                     |

|                        |                                                                 |
|------------------------|-----------------------------------------------------------------|
| Klon-Bezeichnung       | [N377/20]                                                       |
| Molekulargewicht       | 120 kDa                                                         |
| Isotyp                 | IgG2a                                                           |
| UniProt                | <a href="#">Q60700</a>                                          |
| Puffer                 | 10 mM Tris, 50 mM Sodium Chloride, 0.065% Sodium Azide pH 7.125 |
| Target-Kategorie       | MAP3K12                                                         |
| Antibody Type          | Primary Antibody                                                |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography                    |
