| Wirt                     | Mouse                                                                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                                                                         |
| Applikation              | ICC, IHC                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                                                         |
| Immunogen                | Fusion protein amino acids 757-914 (C-terminus) of human TRAK2 (accession number O60296) produced recombinantly in E. Coli                                                                                                         |
| Konjugation              | FL550                                                                                                                                                                                                                              |
| Produktbeschreibung      | Our Anti-TRAK2 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N390/43. It detects human and rat TRAK2, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                         |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                          |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [N390/43]                                    |
| Molekulargewicht       | 100 kDa                                      |
| Isotyp                 | IgG2a                                        |
| UniProt                | <a href="#">O60296</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | TRAK2                                        |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
