| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Fusion protein amino acids 51-724 of human SARM1 (accession number Q6SZW1) produced recombinantly in E. Coli.                                                                                                                                                 |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Our carrier-free Anti-SARM1 mouse monoclonal primary antibody from Antibodies Incorporated is produced in-house from hybridoma clone 1561353. It detects human, mouse, and rat SARM1, and is purified by Protein A chromatography. It is great for use in ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/mL                                                                                                                                                                                                                                                       |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [6174-11]                                    |
| Molekulargewicht       | 73 kDa                                       |
| Isotyp                 | IgG2b                                        |
| UniProt                | <a href="#">Q6SZW1</a>                       |
| Puffer                 | PBS                                          |
| Target-Kategorie       | SARM1                                        |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
