| Hersteller               | Aviva                                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                            |
| Applikation              | WB                                                                                                                                                                                                          |
| Spezies Reaktivität      | Canine, Guinea pig, Human, Mouse, Rabbit, Zebrafish                                                                                                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human GTF2F1                                                                                                                 |
| Produktbeschreibung      | GTF2F1 is a general transcription initiation factor that binds to RNA polymerase II and helps to recruit it to the initiation complex in collaboration with TFIIB. It promotes transcription elongation.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                  |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                   |
| Molekulargewicht         | 58kDa                                                                                                                                                                                                       |
| NCBI                     | <a href="#">2962</a>                                                                                                                                                                                        |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
