| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Bovine, Human, Mouse, Rat, Zebrafish                                                                                                                                                                                                                          |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C terminal region of human LHX1                                                                                                                                                                     |
| Produktbeschreibung      | LHX1 is a member of a large protein family which contains the LIM domain, a unique cysteine-rich zinc-binding domain. It may function as a transcriptional regulator and be involved in control of differentiation and development of neural and lymphoid ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1.0 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 45kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">3975</a>                                                                                                                                                                                                                                          |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
