| Produktbeschreibung      | This is a synthetic peptide designed for use in combination with anti-SLC34A3 antibody (Catalog : ARP31567_P050) made by Aviva Systems Biology. It may block above mentioned antibody from binding to its target protein in western blot and/or immunohist... |
| Molekulargewicht         | 63kDa                                                                                                                                                                                                                                                         |
